PARAM PUJYA DR. BABASAHEB AMBEDKAR

M.A., M.Sc., D.Sc., Ph.D., L.L.D., D.Litt., Bar-at-Law

He believe that education is what makes a person fearless, teaches them the lesson of unity, makes them aware of their rights and inspires them to struggle for their rights and he believe that education is a movement. Equality without liberty would kill individual initiative. Without fraternity, liberty would produce the supremacy of the few over the many

Our society The Young Revolution Panther Tumsar follows the same path which is guided by. Dr. Babasaheb Ambedkar.

"BE EDUCATED, BE ORGANISED AND BE AGITATE"

Late Lord Lady Indutai

In the end, it's not the years in your life that count. It's the life in your years.

From the desk of Secretary

The students of our institutions are the reason we exist. I believe that implementing continuous improvement and adopting best innovative practices in the system are the essential ingredients for archiving the excellence in everything we do. The Young Revolution Panther Tumsar group is committed to fostering a sense of community between students parents teachers and staff.

The purpose of Education is to replace an empty mind with an open one. Sound education in any stream goes a long way in calculating confidence and values in an individual. Therefore our endeavour is to impart excellent education in all streams. Our emphasis is on practical aspects of education so that our students may boldly face the competition prevailing in different walks of life. We believe in turning our fully equipped individuals who rise to any occasion.

We at our law college encourage creativity; enhance core capability; impart specific skill. We not only train our students to be successful persons but also to be responsible citizens and honest human beings. We train our students to excel both in good as well as bad times, booms and depression; highs and lows!

Why You Should Join Dr. Babasaheb Ambedkar College of Law

- **Improved soft skills** – Soft skills are people skills and no matter what profession you choose, you will need to have good soft skills to get ahead in life. Our institution will surely help you learn to communicate, have a work ethic, understand other people, and so much more.
- **Team player** – You will learn how to be a team player. In an organization, you will have to work with many different people. Your experience in our institution will hold you in good stead and help you function as a part of a team.
- **You'll know yourself better** – Probably one of the most important reasons – in our institution, you will learn a lot about yourself. You will learn to interact with other students, and see how they tackle issues and learn from them.
- **Networking** – You will make some really good friends, or at least make acquaintances who will be useful for your career in the future. In fact, you may also be able to help someone with their career or get them in touch with the right people. It works both ways.
- **Real-world experience** – our institution is no different from any other organization. It's people; its functioning will prepare you when you join a real work environment. Plus, our institution is a much safer environment for you to learn first.
- **Leadership skills** – You should take up a leadership position in our institution, and it will prepare you to be a leader in your professional career as well. You will learn confidence, public speaking skills, guiding and teaching others.
- **Engaging others** – As a part of our institution, you will get to meet different students from all over the country. This will help you grow your outlook, improve your engaging skills, and ensure you are a more developed individual.
- **Break from the regular** – With so much academic stuff going on, you will need a break from it all. At our institution's student organization will give you a good opportunity to unwind and take a break from studies. Taking such a break actually helps you perform better academically.
- **Improve your resume** – When you are fresh out of college, your student organization activities with college actually build up your resume. Employers closely look beyond just academic performance because extracurricular activities are where most of your development takes place.
- **Volunteer or charity work** – Most student organizations also indulge in a lot of volunteer and charitable work. You will actually be contributing to the betterment of our society. Plus, you will surely improve as a person as such activities change people for the better.
- **It is fun** – You are guaranteed to have some of the best time of your life with our institution. You will be making memories that you will cherish for the rest of your life.
- **Prepare for the future** – This is the biggest reason to join Dr.B.R.A.Law College You are prepared for the professional world, where you will face so many varied challenges that you may get overwhelmed, but your experience in a student organization will come in handy.

Library

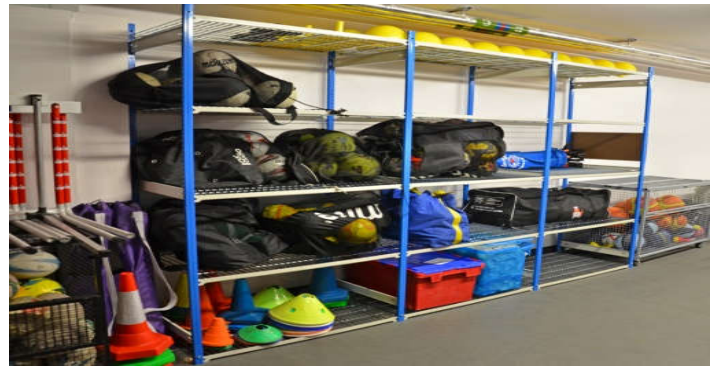

In colleges, the library occupies a prominent position and it is an important and integral part of the teaching programme. It is not merely a depository of books, but an active workshop instrument in the production of or original thinking. The aim of college education and college libraries is inter-related. College library stimulates the students to obtain, evaluate and recognize knowledge and to familiarize themselves with the trends of knowledge for further education and learning new disciplines.
